

Wychwoods Local History Society

Subscription notification and General Data Protection Regulation

Data protection rules are changing. To continue to receive notifications of meetings and/or visits from Wychwoods Local History Society you will need to complete this form.

What is Data Protection and who will it affect?

The General Data Protection Regulation (GDPR) is the EU's new privacy law. It comes into force on 25th May 2018 and affects every company and organisation using personal data from EU citizens. As an organisation keeping your data (Name, address, phone number, email etc.) we need to make sure this data is protected and we comply with GDPR.

As a result we are required by law to ask for your consent before using your personal data. By returning this leaflet with your subscription you give us consent to hold your email address and other personal data on record for contact purposes only. We will always treat your details with the utmost care and never send them to other organisations or companies.

Title..... First Name/s.....

Surname.....

Address.....
